

WASTEWATER TREATMENT

Veolia Water Technologies & Solutions* <https://www.watertechnologies.com/> – ZeeWeed* LEAP MBR, LEAP Primary MBR, ZeeLung* MABR
Evoqua www.evoqua.com - DAVCO, Jet Tech OMNIFLO SBR, ENVIREX Orbal Process, Rim-Flo and Tow-Bro clarifiers, Non-metallic chain and scaper, CPC screw pumps, BioMag Process
SAVECO** www.savecowaterna.com- FSM®, SAVI®, SPECO® perforated plate screens, drum screens, and bar screens
SAVECO** www.savecowaterna.com - SPECO® solids/grit management and SAVI® BEAST septage-FOG-sludge screening system
Fluence** www.fluencecorp.com - Package wastewater treatment plants and MABR
Premier Magnesia, LLC <https://www.premiermagnesia.com/> - Thioguard® TST Magnesium Hydroxide

AERATION AND MIXING

SSI Aeration www.stamfordscientific.com - Fine and coarse bubble diffuser aeration systems, PTFE Coated EPDM diffusers
Evoqua www.evoqua.com – JET TECH jet aeration and mixing equipment
Inovair** www.inovair.com - Single stage integrally geared centrifugal blowers
Hardy Pro-Air www.hardyproair.com - rotary lobe blower and screw compressor packages
Next Turbo Technologies*** www.next-turbo.com – Two-point controlled integrally geared centrifugal turbo blowers (150HP-2,000HP)
Fluence** www.fluencecorp.com - Floating aerators, mixers, solar mixing equipment

BIOSOLIDS DIGESTION, DEWATERING, TRANSPORT AND DRYING

FKC www.fkcscrowpress.com - Screw presses, rotary drum thickeners, screw conveyor systems
Evoqua www.evoqua.com – ENVIREX Dystor® membrane gas storage covers, floating anaerobic digester covers, combination heater-heat exchanger, gas safety equipment, rotary press
Veolia Water Technologies & Solutions* <https://www.watertechnologies.com/>- Monsal advanced anaerobic digester technology, Evaporis belt dryer, and Biological Hydrolysis

ODOR CONTROL

H2S Control www.h2scontrol.com – Vapor phase odor control technology for water and wastewater facilities
Bio Triad Environmental www.biotriad.com – Vapor phase dynamic odor neutralization technology
General Carbon www.generalcarbon.com - Activated and specialty carbon media
Marcab www.marcabcoinc.com - Iron Sponge media odor control systems
Viron www.vironintl.com - Vertical and horizontal chemical scrubbers, FRP ductwork and blowers
Premier Magnesia, LLC <https://www.premiermagnesia.com/> - Thioguard® TST Magnesium Hydroxide

FILTRATION

Evoqua www.evoqua.com – DAVCO Forty-X™ disc filter, Continuous Backwash Denite Filter (CBS), GRAVISAND™ traveling bridge filter, Hydro-Clear® filter
Five Star Filtration** www.5starfiltration.com – Cloth media disk filter, moving bed sand filter
Veolia Water Technologies & Solutions* <https://www.watertechnologies.com/> – ZeeWeed* Tertiary UF, RO, NF membranes and systems

TANK AND LAUNDER COVERS, WEIRS AND BAFFLES

Tank Connection Covers <https://www.tankconnection.com/products/aluminum-covers/geodesic-domes> - APEX Domes and APEX Flat Covers
NEFCO www.nefco.us – Fiberglass launder covers, baffle walls, density current baffles, weirs and scum baffles

CHEMICAL FEED AND STORAGE

Blue Planet www.blueplanetenv.com - High quality, custom made, skid mounted chemical feed systems
Diamond Fiberglass www.diamondfiberglass.com - Fiberglass chemical storage tanks
Statiflo www.statiflo.net - Motionless mixers
Premier Magnesia, LLC <https://www.premiermagnesia.com/> - Thioguard® TST Magnesium Hydroxide

WATER TREATMENT

Veolia Water Technologies and Solutions* <https://www.watertechnologies.com/>- ZeeWeed* submerged and pressurized ultrafiltration (UF) systems, RO and NF systems
Evoqua www.evoqua.com – Traveling Water Screens, Grab Rakes and CoMag Process
Statiflo www.statiflo.net – Ozone Gas Dispersion System
